The screenshot shows the TKN.COM homepage. At the top, there's a navigation bar with the TKN.COM logo, a search icon, and a user icon. Below the header, a main banner features a green button labeled "Go!" surrounded by neon-style icons of playing cards, diamonds, and coins. To the right of the banner, the text "The Original Crypto Casino" is displayed, followed by three bullet points: "Hybrid Control of the Platform built in Ethereum", "Fast Deposits & Withdrawals, completely decentralized", and "Provably Fair Bets and with the speed of a Centralized Betting App". Below the banner, there are three large cards representing different games: "Linear Dice" (dice icon), "Roulette" (roulette wheel icon), and "CoinFlip" (coins icon). The overall theme is dark with neon pink highlights.
